SUBJECT: Letter of Recommendation for Marko Ribich, Owner, Golden State
General Contractors

I have had the pleasure of working with Marko Ribich, owner of Golden State General Contractors, over the past two years on a number of projects including several remodels and preparation of homes for sale.

Marko has an excellent work ethic and his work is impeccable. He is familiar with all aspects of home repair and has been able to resolve complicated issues with several homes I had for sale that prior contractors had not been able to complete.

I am pleased to recommend Marko Ribich and his company as a repeat customer. I have full confidence in his ability to take on any project we have and complete it in a timely manner with excellent results.

If you have any questions, please do not hesitate to contact me at the sites above.

Sincerely,

Judith Burzell, Owner
